Our recent Rongomaiwahine Iwi Wānanga brought whānau together under one roof. He hui i kī i te ngākau, kī i te wairua. A hui filled with passion and energy. Whānau were updated on our housing kaupapa. The team compiled a workbook and shared a rongoā segment, and whānau got hands-on & a firewood supply was given to a whānau in need. Big mihi to everyone who came along!

Our Native Nursery has been humming along. We currently have a range of species in stock, including: Tōtara, Harakeke, Kōwhai, Nīkau, Ongaonga, Karo, Tī Kōuka, Pukatea, Kōhūhū, and more!! Keep an eye on our Facebook page for videos and kōrero on: Rongoā uses and benefits, Planting tips, Reclaiming and celebrating our native species in our rohe.

The Ōpoutama Reserve hui had a good turnout with awesome kōrero about the next steps for restoring this taonga. More updates are coming soon, including planting and kura activities for our tamariki to get stuck into the mahi. Stay tuned for pānui about the upcoming whānau day onsite!

The Maara Kai is thriving! We've planted heaps of seedlings thanks to a generous donation from our supportive nursery in Palmerston North. Also, many seedlings packs have gone out to our whānau, cauliflower, and other kai!

If you are wanting an update on your COVID, flu shots or other immunisations or need health information, we can help. If you need support, or want more information, please email Toni at Toni@rongomaiwahine.iwi.nz.

Our emergency response mahi is ticking along, with upcoming catchment hui planned for our catchments in Māhia, stay tuned for dates. Māhanga catchment has been making improvements to preparing their resilience container and making sure whānau are ready for any event. The next Māhanga Catchment Community Hui is scheduled for the upcoming Labour Day. Stay tuned to our Facebook page 'Manaaki Tangata o Rongomaiwahine' for: Weather updates, Emergency information and Pānui about upcoming catchment hui!
