Hinepua Morrison will Chair this part of the hui.</p> <p>Puti Moa - Kōrero on facebook has caused some discussion. Hui held every month for the Mahia Māori Committee. Kaitiaki and Marae Representatives are what make up the Mahia Māori Committee. After the last MMC hui a Tuahuru Marae hui was held regarding the permits. Unaware two options were placed on the table. Hui was held for permit holders to make a decision that was not their responsibility, discussion needed to be taken back to Marae, our people and the Mahia Boating Club. Both options do not suit our people. Thank you to the Rongomaiwahine Iwi Trust Board for allowing the whānau to have ten minutes to have a say on this kaupapa. All our whānau are welcome, come find your place and be a part of the decision making. Permit holders have the right to say yes or no to issuing</p>

	<p>permits. Tangaroa is getting slaughtered. Horokaka and Mataitai areas are outlined with signage and also available on websites. Thank you for coming, Roxanne.</p> <p>Lawrence Blake - Reiterate what Puti has said. Mahia Boating Club and representatives from Marae came together to hui. Mahia Boating Club would like to keep track of the permits issued and catch tallies.</p> <p>Roxanne Waru - Thank you to Aunty Puti for our much needed kōrero. Wanted to be a voice for the whānau who do not reside in Mahia and ask to be included in the decisions. The mamae that this kōrero has caused. Whānau have their own reasons as to why they do not reside in Mahia, for example loss of whenua, disconnected, lost reo, lost their land. Would like for everyone to have more kōrero and more wananga before landing on a decision. Just ask that all whānau are included. Waiata.</p> <p>Pikihoro Tuhi - Waterways have been coming down to the sea . Opoutama township had to come up with a plan to present to MPI to help the kaimoana grow. Each Marae should come up with its own fishery plan to monitor food and the progression of growth. Bring Kaitiaki together to come up with their plan, which is supported by Marae before going to Mahia Māori Committee for support.</p> <p>Raellen Te Nahu - Something needs to be done to generate kaimoana for generations to come. Grace Ormond is already tutoring tamariki on how to harvest kaimoana. Would like our people to stop and think about the activities that are happening in our Moana.</p> <p>Wikitoria Te Nahu - Listening to everyone’s kōrero and is saddened by it all. MPI representative is our whanaunga, and is in a position to help our Iwi. Let’s come together and look after our Moana so everyone can benefit.</p> <p>Terence Maru Senior - We are all responsible to look after our Moana for everyone to benefit.</p> <p>Happy Birthday Aunty - Ra whānau ki a koe.</p>
