The Pinnacle Health PHO is one of the biggest in the country with many years of experience supporting rural communities’ hauora needs like ours. Our new CEO’s (Terence Maru) efforts with Tātau Tātau and LINZ has resulted in confirming a transfer date for our first DSP at the end of the next quarter. Our new Asset Holding Entity is on track to be established over this period. We are currently developing an arrangement with the Tātau Tātau Commercial board around opportunity partnerships. The new year has been an encouraging start “Engine to Enable Action”. “Secure our settlement Assets” with great strides in DSP process, as well as our CEO establishing new partnership arrangements with Pinnacle Health and the Tātau Tātau Commercial Board. The new full-time CEO has brought focus and driven positive progress across all indicators, and has provided the much needed focus and drive required to improve our performance. Our board has completed Trustee training which provided the base for good governance. Our CEO is putting a lot of time and effort into the establishment of our Asset Holding Entity which will drive the commercial and business development strategy. This is critical to creating long term consistent financial revenue growth. <b>General Business</b>	<p>Aaron Rareti, Kaitiaki for Ruawharo Marae, mihi to the Trustees for the great work. Aaron has been involved in the whale strandings which are becoming more frequent. There is more to the Tohora than just karakia and then burying. Would like to share the matauranga and would like Rongomaiwahine Iwi Trust to support and give the mandate to continue this tradition on their behalf. Bam Ratapu supported this kōrero and would like to form this relationship between. Terence Maru Snr asked if this kaupapa is under Mahia Māori Committee or under Rongomaiwahine Iwi Trust. It is time to disband the Mahia Māori Committee and unite together. Terence Senior apologised and did not intend to offend any of the Pakeke. Huia Dyjak does not agree to get rid of the Mahia Māori Committee. Kenross Campbell would like the Iwi to discuss as an Iwi. Raellen Te Nahu would like the Mahia Māori Committee to continue and would love to see Rongomaiwahine Iwi Trust to support. Mahia Māori Committee is made up of two reps from each Marae and two community reps. Meetings are held on the last Sunday of every month.</p>
